## 60 Day IRA Rollover / 90 Day Hartford Funds Reinstatement Privilege

• Rollover Option - You may withdraw any or all of the assets from a Coverdell ESA and reinvest some or all of the proceeds, in the same Coverdell ESA, tax-free within 60 days. If you are eligible for a rollover, the proceeds can be reinstated without a sales charge, as long as the transfer agent is notified before you invest and the purchase does not exceed contribution limits. All accounts involved must have the same registration.

Please refer to the Coverdell ESA disclosure statement and/or consult with a tax advisor for complete details on the IRS rollover guidelines.

Reinstatement Privilege - When shares of a fund are sold, some or all of the proceeds can be reinvested in the same fund, or any other
Hartford Funds fund, within 90 days without a sales charge, as long as we are notified at the time of the reinvestment. If Class A or C shares
were sold, the shareholder must reinvest in shares of the same class. If a CDSC was paid when the Class A or C shares were sold, the
account will be credited with the amount of the CDSC. All accounts involved must have the same registration.
