Share Class Inception: R3, R4, R5 - 12/22/06; Y - 10/25/24. Performance shown prior to the inception of a class reflects performance and operating expenses of another class(es). Had fees and expenses of a class been reflected for the periods prior to the inception of that class, performance would be different. Since inception (SI) performance is from 5/28/04. Performance and expenses for other share classes will vary. Additional information is in the prospectus. Performance for periods of less than one year is not annualized.

Benchmark: The Blended Index consists of 65% Bloomberg US Aggregate Bond Index, 25% Russell 3000 Index and 10% MSCI ACWI ex USA Index (net of dividend withholding tax). Indices are unmanaged and not available for direct investment.

Performance data quoted represents past performance and does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted. For more current performance information to the most recent month ended, please visit hartfordfunds.com.

Investors should carefully consider a fund's investment objectives, risks, charges and expenses. This and other important information is contained in a fund's full prospectus and summary prospectus, which can be obtained by visiting hartfordfunds.com. Please read it carefully before investing.

Important Risks: Investing involves risk, including the possible loss of principal. Security prices fluctuate in value depending on general market and economic conditions and the prospects of individual companies. • The Fund invests in underlying funds in a fund-of-funds structure. The ability of the Fund to meet its investment objective is directly related to the ability of the underlying funds to meet their objectives as well as the investment manager's allocation among those underlying funds. The Fund is subject to the risks of the underlying funds, in direct proportion to the amount of assets it invests in each underlying fund. The underlying funds are subject to the risks specific to their investment strategies, such as market, small- and mid-cap securities, foreign securities, emerging-market securities, fixed-income securities which includes bonds, municipal-related and asset-backed securities, securities purchased in the To-Be-Announced market and high-yield ("junk") bonds, and derivative risks, and to the extent the underlying fund is an ETF, risks associated with ETFs.

Mutual funds are distributed by Hartford Funds Distributors, LLC (HFD), Member FINRA. Advisory services are provided by Hartford Funds Management Company, LLC (HFMC), an SEC registered investment adviser.
