Share Class Inception: R3, R4, R5 - 12/22/06; R6 - 3/31/15; Y - 4/30/98. Performance shown prior to the inception of a class reflects performance and operating expenses of another class(es). Had fees and expenses of a class been reflected for the periods prior to the inception of that class, performance would be different. Since inception (SI) performance is from 4/30/98. Performance and expenses for other share classes will vary. Additional information is in the prospectus.

S&P 500 Index is a market capitalization-weighted price index composed of 500 widely held common stocks. Indices are unmanaged and not available for direct investment.

Holdings and characteristics are subject to change. Percentages may be rounded.

Important Risks: Investing involves risk, including the possible loss of principal. Security prices fluctuate in value depending on general market and economic conditions and the prospects of individual companies.

Asset Weighted Market Cap is the value of a corporation as determined by the number of outstanding shares of common stock multiplied by the price per share. **Beta** measures the volatility of a portfolio relative to a benchmark. A beta of less than 1.00 indicates lower risk than the market; a beta of greater than 1.00 indicates higher risk than the market. **EPS Growth Rate** is the projected growth rate in earnings per share for the next five years. **Price/Book** is the ratio of a stock's price to its book value per share. **Price/Earnings** is the ratio of a stock's price to its earnings per share. **Return on Equity** is the average amount of net income returned as a percentage of shareholder's equity over the past five years. **R Squared** represents the percentage of the portfolio's movement that can be explained by the market. **Turnover** is a percentage of a portfolio's assets that have changed over the course of a year. It is calculated by dividing the average assets during the period by the lesser of the value of purchases or the value of sales during the same period.

Mutual funds are distributed by Hartford Funds Distributors, LLC (HFD), Member FINRA. Advisory services are provided by Hartford Funds Management Company, LLC (HFMC). Certain funds are sub-advised by Wellington Management Company LLP. HFD and HFMC are not affiliated with any sub-adviser.
