

YOU'RE INVITED

## 8,000 Days

An entire phase of your life  
waiting to be invented

With today's rising lifespans, we could be facing roughly 20 or more years in retirement, which is approximately 8,000 days. Once thought of this way, it becomes clearer that retirement is not an end, but rather a new, complex, and unknown phase of life, during which so much could happen.
