

YOU'RE INVITED

The Times They Are A-Changin'

Though the song is more than 50 years old, Bob Dylan's anthem, "The Times, They Are A-Changin'," seems just as fitting today as it was in 1964. It may feel as if we're living in uncharted waters, but are the issues we're facing today really that unprecedented?

Join us for some historical perspective on extraordinary challenges we've overcome in the past. We'll also discuss how to overcome the trials of the present and how to prepare now for the uncertainty of the future.
