**5 Ways Technology
Will Change
How You Age**

Life Tomorrow

A new array of devices and services is transforming aging, making it easier for you to continue working, stay healthy, live at home, and remain connected to friends, family, and life's small pleasures as you grow older.

Join us to hear research from the MIT AgeLab:

- See how broad the universe and scope of these devices is for everyday tasks
- Gain a better understanding of how these apps and devices can improve your quality of life
- Learn how easy it is to try out some of these technology innovations
