YOU'RE INVITED

Overcoming the Bottleneck in Your Business

Grow your practice by doing one or two things you already know how to do.

Time is our most precious commodity. However, many traditional time management techniques are no longer relevant in today's world. By replacing time management with *focus* management, you can increase the health and growth potential of your business—and decrease your busyness.

Join us to learn how to:

- Focus on activities that maximize your earnings potential
- Accomplish more by focusing on less
- Enhance the power of prospecting using the “law of reciprocity”
